

# 58<sup>th</sup> Festival (Easter 2009)

## Other Notes

- The Festival carries **Public Liability Insurance** to cover accidents caused to the general public, but all teams should make sure they have insurance cover for injury to themselves and to other teams.
- If any of your team has been to the festival for **25 years** or more, they are entitled to have a special badge. Please let me know if it applies to any of your players.
- **VERY IMPORTANT.** If you have not told me already, please send me a **contact mobile phone number** you will have in Blackpool and also the name and phone number of your **hotel**. This is because, on the Sunday evening, teams will be contacted about where and what time they will be playing for the play-offs on the Monday morning. If you don't turn up, you will lose your £50 deposits!
- Please use the festival website at **[www.blackpoolhf.com](http://www.blackpoolhf.com)** . All the fixtures plus other useful information are available.
- The full programmes and other Festival information are given out at the **Captains' Meeting** on Friday 10 April in the marquee at Stanley Park at 9.30am prompt.
- *As you will see on the website, a lot of teams have similar shirt colours. All teams must bring an alternative strip (the second named team changes).*
- Any problems at the festival, please report to the HQ in the marquee.
- Have a memorable festival!

Peter Danson  
Festival Secretary
